RE: Western Tar Sands, Inc.
Design Modification to
Location of Plant Site
and Stockpile
Raven Ridge Project
ACT/047/016
Uintah County, Utah

Dear Mr. Hart:

The Division of Oil, Gas and Mining has recently reviewed the proposed change in location of the plant site and stockpile. These were presented to us in calculations and as Raven Ridge Project Plan Map #4032, M-1. The modification has been approved and additions made to the mine plans. No additional surface disturbances have been created. Thank you for keeping the Division well informed of the on-site activity.

If further changes are to be made, please continue to contact Tom Tetting of the staff.

Sincerely,

JAMES W. SMITH, JR.
